Saturday Shindig

Newman Club Set For Fairmont Jig

Bids Must Be Secured By 4:00 This Afternoon

"Oh, Paddy dear, sure and did ye hear the news that's goin' round?"

"Yay, Bridget. And begorra, thar'll be a wearin' of the green and celebratin' the like of which we Finnigans ain't seen since Casey's wake. That Newman club is abustin' right out with its big Saint Patrick's shindig tomorra' night."

CARLAN ISSUES ULTIMATUM

And clan chief Bridget, alias Ravell Carlan, urges all Newmanites desirous of attending tomorrow's informal jig in the Army-Navy clubrooms of the Fairmont Hotel, to rush right out and secure their bids from Jim "Paddy" Synan, box 415, before four o'clock this afternoon.

Less than a baker's dozen of bids remain on the block and the first-comers will be the lucky ones to top off Saint Patrick's Eve with a popular dance orchestra, private cocktail bar and other specialties arranged by the Carlan and Synan clans.

BIDS ARE GIVEN AWAY

Bids are practically given away for a mere Scotchman's pittance of fifty cents which includes admission for one colleen as well as her swain.

The fling is being restricted to club members and their guests. "Erin-go-bragh" Vezzani will be at the door to bounce his shillelah off the toupee of any dastardly Redcoat who tries to break into the shebeen.

TWO GROUPS FORMED

The County Clare and Galway delegations will be escorted onto the dance floor promptly at nine o'clock by clan chief Bridget herself. The remaining lads and lassies from Athlone and way points may gain entrance at nine-thirty and should congregate in the hotel lobby until that hour.

Stone Speaks

Beta Pi Sigma Discuss Disease

Dr. R. S. Stone of the University of California Hospital spoke to Beta Pi Sigma members on the development and application of the X-ray in medicine last Tuesday noon.

On March 19, a representative from the State Board of Health will discuss venereal diseases and will show a motion picture concerning the topic.

Richard Hall, Beta Pi Sigma president, invites any interested students to attend the meeting which will be held in room 207 in Anderson hall at lunchtime next Tuesday.

Late Sports Flashes . . .

Yesterday afternoon San Francisco State scored twin victories over the San Mateo Junior College. In baseball the Gaters were victors in a close game, 2 to 1. In tennis, however, the Tide emerged victors easily by a 6 to 1 margin. Both Jack Witt and Harold Wagner won their matches easily.

BARBECUE

Flash! Tomorrow at Roberts field the Alumni-State annual doubleheader baseball game takes place. Coach Hal Harden announced that a giant barbecue will be held between games. The morning contest starts at 10 o'clock. Let's all come and make a day of it.

Do Or Die!

And These 17 Choose To Die

After eight weeks of haranguing, babying, coaxing and threatening clubs and organizations on the campus, the Executive Board last Monday night tossed out 17 of the aforementioned.

These clubs have not only been lax in their efforts, but have gone in direct opposition to the constitution of the student body by not abiding by the Executive Board ruling of turning in constitutions and a list of their club officers with grade averages.

Suspension of all club activities on campus and confiscation of their treasuries is the reward these lax organizations will receive.

Cries of "We weren't notified" and "We didn't know" will soon be heard. But those cries are all in vain. The notice was printed in the Gater a number of times, and was recorded in the minutes of the Executive Board, also printed in the Gater.

The greatest offender of the ruling is the Music Federation. This organization, one of the largest on the campus, has received more money from the Executive Board than any other organization. In return for such gratuitous spirit by the Board, it has sluffed its official duties. The prodigal son has not returned.

Class Of '40

Appointment Of Senior Class Committees Made By Preribent

Committees for the graduating class of seniors of May, 1940 were appointed recently by Ed Smith, president of the class.

These committees are working independently of one another, but will be coordinated at the end of the term when Senior Week will be in full swing from May 19 to the 25.

SENIOR WEEK

Senior Week committee consists of Jack Hulbert, chairman; Bobbe Sandeen, Juanita Pagano, Andrew Gavron, Jack Madigan, and Claude Hanrahan.

The Valedictorian committee is headed by Bob Sweeney, with Ruth Barnett, Anne Brocato, Adrian Newman, and Alan Popes members.

Vern Ouellette, Fred Kline, Peggy Smith, Dena Witte, Lillian Freed are members of the Senior Ball committee. Miss Freed is the chairman.

BOOKSTORE DISPLAY

The Cap and Gown committee is chairmaned by Guido Fumagali, with Doug Kidd and Pat Sullivan assisting.

Announcements for graduation have already been chosen by the announcement committee and are to be displayed in the Bookstore soon. Lew Morris, chairman, was aided by Benny McMillan, Dena Witte, and Lillian Freed.

Interclub

Group Aims At Coordination

The first meeting of the organizing committee for the Inter-club council was held in the student body office, Tuesday, March 12, under the temporary leadership of Nick Munson.

The aims of the group were outlined as intending to coordinate the activities of the various clubs on the campus in the interest of benefit to the school as a whole.

The council proper will be composed of one delegate from each organization, elected by the members of the club itself.

Four Invited Into Sigma Alpha Eta

Invitations to membership have been tendered Jim Martin, publications manager; Ed Poole, Gater sports editor; Dick Hall, Science club prexy, and Vernon Noble, prominent music department member and winner of last year's Sigma Alpha Eta scholarship, by Sigma Alpha Eta, men's honor service society.

Initiation of these members will bring the club roster up to its constitutional limit. Required for membership is a 1.4 scholarship level and activities record above average.

Non-existing

No Publicity For Renegade Clubs

Organizations Must Get Constitutions To Board

"Clubs whose constitutions have not been turned in to the Executive Board were declared to be non-existent as far as the college is concerned at the last board meeting and will not receive publicity in the Gater until their status is clarified," Editor Ed Smith declare today.

Non-existent clubs and organizations as announced by the Executive Board include: Delta Phi Epsilon, Delta Sigma, Delta Sigma Nu, Andro-Sphinx, Block "S", C.S. T.A., German club, Italian club, Open Road, Music federation, A.M.S., Epsilon Mu, Christian Science, Sigma Rho Gamma, French club, Spanish club and Forensic council.

"This announcement is made so that students and faculty alike will know why various clubs are not given space in the Gater columns. The sooner this matter is cleared up, the sooner we can resume our regular coverage in the paper," Smith said.

Valedictorian

Qualifications Set By Sweeney

Bob Sweeney, chairman of the valedictorian committee of the class of May, 1940, announced the following rules governing the try-outs and selection of the valedictorian:

1. Grade point average of 1.75 or better
2. Must be a graduating senior
3. Public speaking ability
4. Prepare to demonstrate your speaking ability
5. Must be a resident student for one year

Applications in written form stating the topic on which applicants will speak must be in the Student Body office, room 119, by Wednesday, March 20.

New Music Books Now In Library

A new list of books on music available in the college library was issued today. Ranging from biographies of 16th century composers to Benny Goodman's "Kingdom of Swing," the list is the most complete yet compiled.

Sorority Plans

Alpha Omegas Getting Ready For Barn Dance In Gym

Hay! Hay! No, "hay" isn't spelled wrong. Whoa! Or is it? Anyhow, this is the kind of "hay, hay" that the women of this a-here college will make at the Alpha Omega sorority's barn dance.

Being as how it's leap year, all you gals can find yourselves a farm lad and drag him to the dance Friday, April 5, in the Women's gym.

SOUZA PLAYS

By-gosh and by-jiminy you-all can even go barefooted an' no one will care. Cornhusker Benny Souza and his helpers will be on hand to live up the situation. However, their rhythms will be anything but corny—the'll be brand-spankin' new.

Frosh Hop

Les Smith's Orchestra Plays Wednesday Nite At Semi-Formal

Ticket Chairman Block Declares Advance Sale Assures Success Of Dance

Tall, dark and oh so handsome Les Smith will be behind the baton when Frosh Hopsters break into dreamy waltzes at their annual semi-formal, March 20th, in the Terrace room of the Fairmont hotel.

Petite and pretty Wanda Porter, songstress of the orchestra, has a repertoire of many popular songs and will do them all justice, according to Izzy Pivnick and Red Gilkey, high and low frosh presidents.

BID SALE

The bid sale, so far, has been a huge success under the able leadership of Jacqueline Block, who urges all students to buy a bid for \$1.50, and swell the turnout for the dance.

Who is to be Queen of the Hop will be announced in the early part of the evening, and the judges are finding it difficult already to make the choice, as there is such an array of talent to choose from.

EASTER THEME

Bids and favors will carry out the St. Patrick and Easter themes. The committee also declared that the Terrace room would be decorated to carry these themes out.

Remember that the ruling for this dance is NO CORSAGES. Those not adhering to this ruling will be requested to take them off at the door.

Artists

Art Fed Sponsor Poster Contest

To design a cover for the San Francisco Boy's club camp booklet or a poster to advertise the camp, will be the theme of a contest under the sponsorship of the Art Federation. The contest is already open, and entrants are urged to get their designs submitted soon to the Student Body office, as the contest closes April 3rd.

Any State student may enter, and rules governing the contest will be given to all Art Federation members, and will also be posted on their bulletin boards.

The prizes to be awarded will be a wrist watch, two zipper binders and a military vanity set. Two of these prizes will be given for the best posters, the other two for the best booklet designs.

As this is the first outside contest that the Art Federation has ever sponsored, all are urged to enter.

Organizing

Composers Club Meets Tuesday

Answering a number of suggestions and requests of students and faculty members who are interested in the formation of a Composers' and Lyric Writers' club on this campus, it was announced today, all meetings of the new group will be on Tuesdays at 2:30 p.m. in Room 12 of Annex A.

Early organization and the drawing up of a chapter constitution is desired by leaders of the group, so that members will be able to take part in the Composers and Lyric Writers Festival on Treasure Island on August 24th and 25th. This festival, similar to that which was held last year at the Fair, will give Staters an opportunity to have their works performed before interested audiences at the Fair. Last year's festival attracted thousands of music lovers from all sections of the country and presented more than 100 composers and 150 compositions in the seven day program.

Also in the interim is the opportunity of members of the new club to take advantage of a state-wide display of published works in more than 50 music stores during April 15 to May 18. This display will emphasize compositions by member composers and writers in the state-wide organization which is behind the current organization of the state composers and writers club, the California Composers' and Writers' Society.

ATTENTION

The Student Advisory council wishes to impress upon the freshmen that every member of the council is there to help them become acquainted with San Francisco State and Staters.

"I have tried to assign students to a counselor that has the same interests," stated Sherry Auerbach. "Any freshmen that have not been assigned to a counselor, please contact me at once."

Les Smith who will provide the harmony for the Frosh Hop.

It Smells Fishy

Now that Russia has finally returned her piece with Finland it comes out that the Allies were all set to send 30,000 troops to the young Finland. Such an action is a completely correct response to the standards of 1914 but this time it comes with a definite note that is none other than the sensitive politics of the Allies and the delicate politics of the world.

Whether the Allies were really wise to plan to send troops to Finland and whether the big plans will really lead in earnest.

Such action is not wise the sympathy of the neutrals toward the Allies and the Allies will and it is very soon when they attempt to understand Germany in diplomatic relations.

The gesture was very real.

National

Questions?

James A. H. Smith and the big old building in Washington will be under way but without some criticism and being by the students in Washington.

Squidwads have been protesting the taking of a person's name in an effort to measure the amount of unemployment in the United States. This is purely a political maneuver to hide some of the unemployment statistics in these current statistics.

Both and every one of us should be glad to answer the questions of the census taker. Uncle Sam is our father and has protected us and to pass the big man's name is an appreciation. Trump, trump, trump the boys will march.

Campus

Rhythm Is Our Business

Newman club president Wade Brummel is conducting a series of lectures for the benefit of the students of this college. These lectures are held by the presence of an outside speaker who is an authority in the particular field under discussion.

In the previous issue of the Gater was a story of the last Newman lecture, Wade Brummel. From reading it, one would be of the opinion that Dr. Charles Monroe, cosmopolitan, had worked quite a number of his learned profession by not advocating use of contraceptives as a means of birth control. His theory is that of "Raymond Method" of birth control.

Now this method is all right for the intelligent to use, but for those whom nature put behind the door while the brains were being passed around, such a simple theory would not be practical.

The second method which he says must be pointed is not self-evident among those of lesser means. It is to make a nice solution around some of our squatter dressed streets and try to preach "raymond" to the squatters they would not know what he was talking about. They are to be shown. Those who would try it might and themselves with another couple born heaven to their names, which they already have one or six.

Perhaps the greatest exponent of this brand new method might be Benny Goodman, or perhaps John Dillinger. But then First World War must be selected for the "other".

The trick of the whole matter is that this talk scheduled for the broadcast last Sunday did not come off. Dr. Charles Monroe was wearing a baby.

All God's children get rhythm.

And Now "Alma Martyr"

As so many of us love to live in the past it is fun to recall various things that we have done and places that we have gone. Many of us remember way back in the Spring of '38 when Vernon Rees and Roland Ingraham presented their production, the musical comedy "The Character".

This was about the first time that State had ever attempted a play on such a large scale. The music department worked hard on Roland's songs "I Give At You", "Only You" and "We Are the Champions". Audrey Stewart and Fred Twining produced faithfully and many hours with the girls of the chorus. Audrey is now at the University of Nevada and Fred is helping Miss Bernice Van Gaster with her dance classes. In a few months she will settle down to married life.

In the leading roles were Bob Hillman, Jeanette and Alice McJoy. Bob is still at State and has charge of noon-day activities. Alice went back to her home town to continue her study. In the lesser roles were Jean Smith, Marshall Blum, Jean Deckman, Harold Jones, Sam Elwood, George Fenneman, and Hal Mike DeMa.

There is teaching in Merced, Marion is still at State but will graduate in June. Jean is busy pursuing a journalism career here at school. Harold is still at State as a Sam Elwood who is busy practice teaching. George Fenneman has the lead in the Little Theater's forthcoming production "Twilight". Hal, formerly State's head year leader is now teaching.

Vernon Rees was the capable and serious director and writer of this story of school life. He is now teaching and Roland Ingraham is back at State after a year's absence as a P.O. and is now more writing songs for a musical in the near future.

Yes, it is fun to look back and remember. But we can look forward to another humorous satire on college life "Alma Martyr" when Roland does more swings into action with his latest songs and lines.

On The Christening
Of An Empire

The man who says disgruntled in the street, "This is a hell of a state," might not be very far wrong dramatically speaking.

California, once a mysterious and mythical spot upon uncharted seas and today still a magical land of romance and wealth—possesses a truly romantic background in the story of its naming.

The less romantic minded attribute the name to a loose combination of the Spanish words for "hell" or "very" and "burning". The Spanish conquistadors first thought of California as the land of "very burning". The hot and dry desert wastes impressed these men in just that way to the long marches from Mexico.

Others claim the name originated with the Indians of Baja in lower California. Kala, from the word Alvarado, Vallejo and others of their period, meant "high hill", "mountain" or "native land". Well, brother, that's to be. That long struggle each morning at eight just about lays me out. We've got the hills alright.

The Greeks always have a name for everything and now they are giving themselves one better by giving meanings to their words. Greek word combinations such as kala poor bea, kalos phorma, kala poor bea and kala phormea mean "beautiful woman", "moonlight", "fertile land" and "new land". One up for the Greeks. We've got them all. For some reason I like the Greek's way of explanation a lot better than that "hell" or

Ten Second Interviews

Which type of music would you prefer to have played at the Frosh Hop—swing or sweet?

"As this is to be a semi-formal dance, I think that sweet music should be played. Swing is all right in its place, but its place just doesn't seem to be at a formal affair."

Jack Gilkey,
low frosh president

At any formal dance, I would rather have sweet music played, for the simple reason that swing makes one perspire, and you know what happens when you perspire in a tuxedo.

Bill Stein,
low senior

Sweet music, by all means. Nowadays we haven't enough dances where strictly sweet music is played, and I hope that sweet music is the choice of the night.

Werner Steinbach,
low frosh

I firmly believe that sweet music should prevail at the affair. After all, it wouldn't look very classy to see a girl "sweating" in a formal."

Saul Simon,
low senior

LETTERS

TO THE EDITOR

Dear Editor:

Commendation is due those responsible for the posting of current news topics on the bulletin board just outside the library. Those of us who do not like to read the daily papers because of the many ads and space-fillers, appreciate this clipping service which presents the news of the day succinctly.

However, the poor lighting in the corridor makes it difficult to read and an unnecessary eyestrain. I suggest one of the following remedies:

1. Put additional lighting over the bulletin board.

2. Use another board on the main or second floor where there is sufficient lighting.

MARVEL BELL SHORE

To the Editor:

I would appreciate at this time an opportunity to offer my sincerest apologies to those readers of last Tuesday's "People On The Campus" column for my own clumsy effort to treat humorously a very delicate topic on this campus, namely the sacred profession of teaching.

As a student teacher myself, I naturally included your humble columnist in any of the shafts of misconstrued humor which I directed at those who have devoted their life energies to pedagogy.

In the future, I hope to confine my subject matter to fields less likely to provoke such a storm of righteous indignation. I trust that those whom I have embarrassed with in the spirit of Christian charity, forget the source of their irritation.

The Cat's Whisker

By "STUB" HARVEY

OH, DEATH! WHERE IS IT?

I've been misled. I've been misinformed. In fact I've been dilly-dallied with.

Last Tuesday's Gater, in the report of the Exec. Committee, announced that Radio Day had been held on the table. That it was still unfinished business. It is finished. It is misleading to say the least. In fact it is not true!

RADIO DAY WILL BE HERE THURSDAY, APRIL 4th.

It is a fact. It is the truth. It is true!

CALM DOWN, STUB!

Well, I can't help it if I'm all excited if my danders up, if I'm all gooseflesh. If you know what I know, you'd be too. What I'm trying to tell you about is the long list of people who will visit our campus on RADIO DAY.

GUESTS ON PARADE

This is only a partial list but it will give you a good idea just what and who were going to have in Thursday, April 4th. Do you blame me for my excitement?

Will Aubrey, Ira Blue, Suse Q. Frank Cape, Milton Samuels

and a host of others to be announced later, will be here representing NBC, CBS, CRS, MBS, KYA, KJBS.

STATERS ON PARADE

VIVIAN SILVA, diminutive and charming, first of State, has been busy taking the dance crowds and some enjoy Jerry Thomas music in Oakland. Lots of luck, Vivian!

DOROTHY FITZPATRICK

steps into the limelight with a four bell engagement with Warren, Runder's, at Boyes Springs this summer. We heard her in Benny Wallace's hour last Monday. It is a great audition with Lee St. John of NBC on March 19. Dorothy sang for the A.W.S. last night. Dorothy bears watching!

COLLEGIANA ON PARADE

The campus students of the College of the Siskiyew plan an unusually heavy schedule in the fall of the year. In the broadcast last night, KJBS, McClatchy Radio System, in Stockton. Those who participate in studio productions are members of only upper division classes. John Gracie is in charge of radio production classes.

San Francisco State students have been taking a active interest in radio production at KJBS. They plan to show broadcasts.

What about S.F. State getting on the air?

Gater Team Off To Denver Tonite

Students Send 9 To A.A.U. Tourney

The boys who are to do battle for the glory of State at Denver are (left to right) Billy Hammond, Ernie Loustalot, Emil Fanfelle, Bob Russell, George Thayer, Boyd Harrold, Dave Kerwin, Tom Collingwood, and Carl Gustafson.

State Track Team To Meet Cal Aggies At Davis Tomorrow

By PHIL SCHMIDT

San Francisco State's untested track and field squad journeys to the potato village of Davis tomorrow morning to tackle the California School of Agriculture.

Once again the Gater cindermen will be led by George Otis. However, this season George can claim the distinction of being the top man in only one event, the pole vault. In the high hurdles Otis has lost his laurels to one Dudley Schultz, who has been clipping the high sticks with amazing consistency.

KLINE IRON MAN

State's real iron man is Fred Kline, who once again is favored to pull his daily double by copping the mile and two mile events. Jack

The Music Department gave \$5.00, which was omitted from the last list. The High Frosh class gave \$10.00 instead of \$5.00. Any person or persons wanting an exact count of the money may obtain such from Mr. Nee.

Jackson Resigns: Simon In

Because he is unable to devote enough time to the position, Frank Jackson has announced his resignation from the intramural board, and Saul Simon has been appointed commissioner in charge of volleyball. Simon is also in charge of the softball tournament that will be held early next month.

P.E. FRAT DROPS OUT

Biggest news on the intramural volleyball front is the withdrawal of Phi Epsilon Mu from the race, and their announcement that from now on they will devote their efforts to the officiating duties. Their help on the various intramural activities has been responsible for smooth running schedules.

The expected gargantuan tussle between the Dusky Diamonders and OMAC outfits may prove to be a victory for the Diamonders. The OMAC will be weakened by the loss of Tom Collingwood, Bob Russell and George Thayer, who will be on the train bound for Denver. However, it may prove to be the best battle of the tournament.

FEATHER MERCHANTS

In the only other scheduled game of the day, the Feather Merchants will tangle with the Ramblers. This battle is in the division B standings, while the Diamonders-OMAC contest is slated for division A.

On Monday, John Pichotto, Intramural chairman, will post a revised schedule, and the contest to determine the winners in each division will narrow down to those teams who have shown a willingness to participate in the tournament.

BOXERS TAKE ON BRONCOS

With the Cal Aggies meet definitely off, Coach Don Kupfer is prepping his boys this week for a battle with the Santa Clara Broncos next Monday night at Santa Clara.

Loss of two mainstays of the leather throwing brigade tossed cold water on Kupfer's outlook for winning. Connick and Perry turned up with injuries at yesterday's practice session, to add another gray hair to the mentor's thatch.

Possibility that Chad Reade may take over Connick's duties in the 160-lb. brawl threw a slight ray of sun on the coming meet. Reade has boxed before, and Kupfer is confident in his ability to take good care of himself against the Santa Clarans.

The balance of the squad, after a workout against the University of California Varsity last Monday, are rounding into the best condition they have reached so far this year.

Frankie Pope and Wilson, winners at the recent San Jose tourney, are counted on to add a victory to the Gater column against the Broncos.

Now veterans of the mitt throwing squad, Wendling, Magaran, Chinn, Press, Swannack, and Barros will probably go to their corners in the S.C. fight.

Originally slated to meet the Cal Aggies tomorrow, the Gaters were forced to postpone the matches indefinitely when the farmers entered the Pacific Coast intercollegiate bouts being held in Sacramento this week-end.

Send-Off Rally For Cage Squad Tonite At Ferry Building

This evening at 8:00 sharp San Francisco State's sensational basketball team leaves the Ferry Building for Denver, Colorado, and the A.A.U. championships of America. A gigantic rally has been planned to send the players to the plateau city with collegiate spirit riding high.

Cal Beats Gater Swim Team 55-20

A strong California swimming team proved rather inconsiderate hosts last Tuesday afternoon when they invited the Gater swimmers over to Berkeley, and then beat them in a dual meet by a 55-20 count.

While the score was all Cal, the Staters made them earn every point they took. In the 100 and 50 yard races Hal Keller could only grab a couple of thirds, although the winner finished, both times, less than a body length in front of him.

Johnny Haake lost another close one in the 150 yard backstroke event, losing by an arm length to California's Dam in the very fast time of 1:45.2. Howard Hall put on a great finish in the 200 yard breaststroke, but he, too, had to be content with a hairbreadth second.

Bob Keller provided State's only victory of the day, splashing his way to a 5:23.5 quarter mile win. He grabbed a second in the 220 to be high scorer of the day for the Gaters with eight points.

FIRST GAME MONDAY

Led by Tom Collingwood, ace center and tip-in shot de luxe, the Gaters will play their first contest on Monday, March 18. They are ranked with the better teams and thus drew a first round bye.

Along with Collingwood, the sharpshooting and ballhawking guard Dave Kerwin, the speedy and tireless Ernie Loustalot, the ever improving and hook-shot specialist Emile Fanfelle, and the steady veteran George Thayer the Purple Purgers have a five that is capable of playing basketball with any team.

ONLY FOUR RESERVES

Reserves take form in the amazing Carl Gustafson (the man who makes a habit of sending the Gaters into overtime periods), the ever husling Billy Hammond, the tall and star of the future, Boyd Harrold, and the laughing red-headed forward Bob Russell.

Coach Dan Farmer has been working the men hard the last few days, rounding them back into the condition that carried them to their successful season. Great stress is also being put on the plays. The guards are feeding either the center or the forwards, either one in turn setting the other up for a shot.

DENVER TEAM FAVORED

Favored team to win the tournament is last year's title holders, Safeway Stores of Denver. However, the Hollywood A.C., boasting many former U.S.C. stars will also be tough to beat. Both of San Francisco's representatives will be contenders (State and the Olympic Club).

GATER WIRE REPORTS

The Gater will carry complete descriptions of the games in Denver by a direct telegraph wire from the pavilion.

In closing, we'll see you all at the rally tonight at the Ferry Building. And until the team returns, the faculty, the student body, and Frank Jackson all wish the Purple Purgers The Best of Luck.

J.V. Cindermen Drub Sacred Heart

The San Francisco State junior varsity track team smothered a "collegiate-shy" Sacred Heart High School squad, Tuesday evening at Roberts field, by the avalanche score of 105 to 3. The high school did not compete in the relay. Results were:

- 100 Yd. Dash: Mull (S), Stern (S), Fontana (S); 10.6.
- 220 Yd. Dash: Mull (S), Davis (S), Stern (S); 24.2.
- 440 Yd. Dash: Warden (S), Swannigan (S), Flageolet (SH); 55.
- 880 Yd. Run: Letcourt (S), Mier (S), Wendling (S); 2:10.
- Low Hurdle: Watkins (S), Carlson (S), Bluton (SH); 14.5.

WOMENS ATHLETIC ASSOCIATION

By a smashing victory Jo Biggi rode in triumph, nosing out Inez Erikson and Lucille Murphy, in the race for W.A.A. president, Wednesday last.

Jo's curly hair and flashing smile are a familiar sight around the campus. She is well known as this term's noon recreation manager.

An active athlete, having won top honors in badminton doubles, singles, and mixed doubles, no better choice could be made for the job. Not confining herself to badminton alone, Joe participates in almost every sport offered by the college. She's in her junior year this term and has many friends throughout the school.

Congratulations, Jo; we know you'll make a swell president.

W.A.A. HOSTS
Assuming the role of host, the

W.A.A. will entertain six Bay region colleges at their playday, March 30, under the sponsorship of Mrs. Velda Row and Mr. Donald Kupfer.

Bernice Cook is chairman of the affair, and the heads of the various committees are Lorraine Gallagher, registration; Francis Young, hostess; Corinne Ketterline, entertainment; June Meese, officials; Bernice Mattos and Bernice Codde, luncheon; and Margaret Wormell, program.

Approximately one hundred girls are expected to turn out, of which 24 will be from State, not including the members of the various committees.

San Jose In 11-6 Win

San Jose State's baseball team kept the usual hex over the Gater nine by defeating the Tide clubbers, 11 to 6, last Wednesday at San Jose.

The Spartan victory marked the sixth straight triumph the "Prune Belters" have scored over their San Francisco rivals. The S.F. Staters have yet to break the San Jose jinx.

Carl Haas, although supported by erratic fielding, was touched for 11 runs and 14 hits, of which about half were well hit balls. Bob Kohout relieved Haas in the eighth and gave up one hit in one inning.

Kasparovich started for the Spartans and held the Tide in check until the sixth, when he was shelled from the mound with a barrage of six hits which garnered five runs. Nasimento had to be called in to retire the side.

Johnny Allen led the San Jose attack with three blows, and Walt Lagomarsino hit three to lead the Gaters.

The 1940 edition of the S.F. State nine tangles in a doubleheader with the alumni tomorrow at Roberts field. A barbecue will be held between games.

Girls Needed For Summer Camps

All sophomore women or those under 18 years of age may apply for the opportunity of serving as counselors for the Berkeley Camp Fire Girls next summer, was the announcement forthcoming from Dean Ward's office today.

Miss Fiddler, from the Berkeley Camp Fire Girls office, will be in Dean Ward's office between 2 and 3:30 on Tuesday, March 19. All young women interested in volunteering their services as camp counselors during the coming summer are urged to take advantage of meeting Miss Fiddler.

Carolan, however, will be a strong contender in the mile.

In the low hurdles and the 440 yard run Shepherd will have to be contended with, though Jim Crane has an equal chance in the latter race. Brooks Purdom is also a solid threat in the quarter, though Dean Cox has not entered him in the race.

Dick Schwab is always improving, and off past records may turn in a good time Saturday. Lefcourt, who ran a fair 880 in the jayvee meet against Sacred Heart, may prove a strong contender.

George Parker is improving always in the high jump, and his 6 feet 2 inches in the Alumni meet proves he is ready for top flight competition. Otis is also expected to garner points in this event.

Bert Gustafson in the broad jump is also ready for topnotch competition. He is leaping more than 22 feet.

Socrates Pantages and Bill Stein are the Gater weight men, and should star in the shotput and discus, respectively. "Scoop" Carlson is tossing the javelin farther every day, and Giacosa is right behind. Goettel is chief sprinter.

Tom Collingwood Gets P.A.A. Watch

Unanimously chosen for a place on the Examiner-Pacific Association all-star quintet was Tom Collingwood, ace State center. Collingwood was the champion cage ringer in the P.A.A. series. Along with Eddie Conroy of the Y.M.I., Collingwood was presented with a gold watch, symbolic of the Examiner's appreciation of his fine playing.

During the 37½ minutes of the history-making, semi-final game between State and Y.M.I., Collingwood scored 20 points; an excellent example of the rangy 6-footer's consistently fine playing.

Here is the 1940 Examiner-Pacific Association all-star five:
Eddie Conroy, Young Men's Institute, forward.

Ray Balsley, Olympic Club, forward.

Tom Collingwood, San Francisco State, center.

Phil Garcia, Olympic Club, guard.

Denny Martin, Young Men's Institute, guard.

Modest Tom Collingwood refuses to bask alone in his recent glory. He said that, without the support of his fellow hoopsters he could never have become champion point maker of the tournament series.

On Diamond I, Doris Bertheaud's team engages with Helen Crookham's; while on Diamond II, Bernice Mattos' team meets Anna Davis'.

April 1 is the date set for the Men's Faculty-W.A.A. annual softball game. Mr. H. Harden is rounding up the men.

BRACER

Tonight is the night for all W.A.A. members to come and have fun at their party.

Sigmund Stern grove, 7:30 to 9:30 will ring with hilarious laughter when the girls get together at their mid-season bracer.

Carrying out the St. Patrick theme, each club will put on a skit, and dancing and singing will be the order of the evening.

In charge of the affair we have Florence Abraham, with Corrinne Ketterlin the head of the singing.

State Foilers Meet A.W.S. Rally Held Sacto. J.C. April 20 In Little Theatre

State's fencing squad will play host to Sacramento J.C. on Saturday afternoon, April 13, when a double match will be held in the Women's gym.

The match will begin with competition between the State junior varsity and the Sacramento freshman squad. Each of these teams will be composed of three men. Following this match, the varsity teams of each school will compete.

"Sacramento has a very strong team," stated Len Duckworth, Gater coach, "and unless our boys begin to take this match more seriously, we may suffer our first defeat of the season."

Owing to the rapid improvement of several of State's men, the teams for these matches have not yet been picked. Any man who is capable of defeating a varsity man will be given a chance on the first string.

California

"fiery furnace" idea of the Spaniards.

California's noted historian, Bancroft, voices his opinion which to many eclipses the efforts of the Spaniards and the Greeks. He tells us that in 1510 a novel came out by the name of "Sergas of Esplandian" in Spain that described California as an island on the right hand of the Indies, very near Terrestrial Paradise.

Well, Heaven or Hell, it's all the way you look at it. To John Steinbeck it probably was Hell. To Sally Rand it was Heaven. Heaven or Hell it's a grand state, don't you think?

A.W.S. representatives are sponsoring a rally for all women students in the Little Theatre today at noon.

Aside from the actual business of the meeting, there will be a lot of college talent on parade. Corrinne Ketterlin, vocalist; Jean Kerwin, pantomimist, and Jean Van Arsdale has promised a novel dance arrangement with a group of her Kappa Delta Tau sorority sisters.

Said Lillian Kaplan, chairman of the assembly, "We expect a large turnout, as it will be an important event on the girls' calendar."

Phi Lambda Chi Take New Pledges

Putting pledges through their paces, pledge captains Ellen Holly and Ollwin Jones, with the help of the other members, held the Phi Lambda Chi informal initiation Wednesday evening, March 13, at 101 Buena Vista street.

Pledges for this semester are Edith Dorrey, Bettymae Palkingham, Bernice Busher, Eva Gibson, Goldia Stewart, Bernice Cook, Mildred Casanova, Jacqueline Wint, June Meese, Dorothy Doll, Betty Stewart, Nancy York, Alice Wollak, Betty Ross, Marion Cooper, Edna Johnson, Roberta James, Louise Hansell, Anita Gebhart, Marian Rudiger, Dorothy Thronson, Myrtle Burgess, Ruth Burgess, Miriam Hackman, and Iva Beth Cain.

Over 700 students recently took part in a radio poll at the College of the Pacific and voted Jack Benny and Glenn Miller as their favorite radio personalities.

Band, Choir Plan Concert In April

A joint concert featuring the college band and A Cappella choir will be one of the highlights of the college musical season, announced Mr. Roy E. Freeburg, choir director.

The program, which will take place in April, will range from numbers by Bach to Rubie Bloom's "Song of the Bayou."

This is the second time the band and choir have combined for such a concert, having appeared together at the Fair last year.

Parent-Faculty To Hold Whist Party

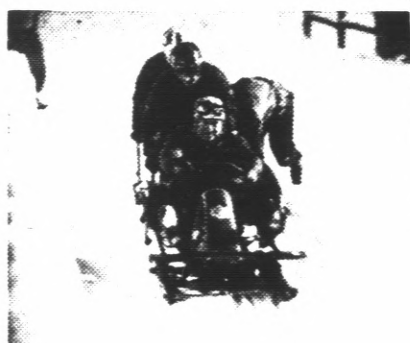

Next on the program for the members of the Parent-Faculty club will be a progressive whist party on Wednesday, February 27, at 2 p.m. in Frederic Burk auditorium. Tickets will be 50 cents per person, the proceeds of which will be turned over to the student loan fund.

Chairman of the party is Mrs. John L. Tilden, who announced that refreshments will be served and prizes will be awarded those with the highest scores.

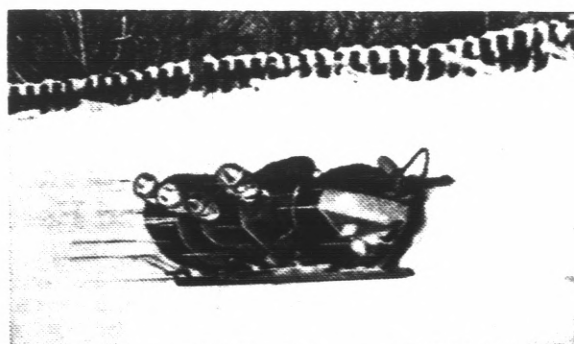

Recently the club held a very successful home-made cake sale. Thirty dollars was made from this sale, and the money was then donated to the student loan fund.

Basketball Team Get New Jackets

State's basketball team is sporting new warm-up jackets. The colors are deep purple and bright gold and are very catchy to the eye. The Gater nine is very flashy in its uniforms and new jackets.

THEY'RE OFF! Streaking down the mile-long icy trough of the Mt. Van Hoevenberg run at Lake Placid, N. Y. with "Bucky" Wells driving. Fifteen breath-taking turns to go. Fifteen chances to taste the supreme thrills of speed. But in smoking it's different, very different. "It's slow burning that makes a cigarette tick with me," "Bucky" Wells says. And he means what he says, because slow-burning Camels have been his cigarette for ten years.

"ONE-TWO-BOB! ONE-TWO-BOB!" And, as the crew bobs, "Bucky" picks up speed...60-70-80 miles an hour, driving high on the glassy wall of ice as he swings the quarter-ton steel sled around the curve. But in the field of cigarettes, this daring speedster gives the laurels to the quality of slow burning that he finds in Camels. You can tell by their mild, mellow taste that Camels burn cooler, slower—and scientists have confirmed this. (See panel, right.)

IF you want to know how it feels to go 80 miles an hour on a racing bob-sled, "Bucky" Wells of Keene Valley, N. Y. can tell you. He's done it plenty of times. He likes those speed-thrills on a racing bob. But when it comes to cigarettes, "Bucky" Wells is on the slow side...the slow-burning side. That means Camels!

"I've smoked Camels for years, and I know they burn slower," "Bucky" says. "There's cool comfort in a Camel. Mildness—more flavor. And—slow burning means extra smoking. Yes, penny for penny, Camels are the best cigarette buy. I'd walk a mile for a Camel!"

Why would anybody feel that way about his cigarette? Try a Camel and see. Camels are a matchless blend of costlier tobaccos...slow-burning. They give more pleasure per puff, more puffs per pack.

In recent laboratory tests, CAMELS burned 25% slower than the average of the 15 other of the largest-selling brands tested—slower than any of them. That means, on the average, a smoking plus equal to
